To whom it may concern

Accident between PHY1591Y (our vehicle, a mini bus) and SHA3627Y (a taxi) at the junction of Woodlands Ave 1 and Ave 2 on 11 Jan 2005

During March 2005, we (seven victims in total) paid Mervyn Tan & Co. \$700. The lawyer, Mervyn Tan Chye Long was in charge of handling this case. One of the victims of this accident was seriously injured and should be entitled to a claim of between 30 to 50 thousand dollars.

We had provided police and medical documents to Mervyn Tan & Co. We also contacted this firm every month, hoping they would speed up their progress regarding this claim; they always responded that they were working on this case and that everything was going alright.

However, when we wrote to The Law Society of Singapore, they informed us that this case had expired as it had been over three years since the accident occurred. Thus they informed us to find another lawyer to claim the lawyer, Mervyn Tan Chye Long's professional indemnity insurance. I hope you can assist us with this matter. Thank you.

Yours sincerely

Tan Sar Bee Sunny
